

WESTBROOK MFG.

FEDERAL FLANGE

OPERATIONAL UPDATE (Coronavirus COVID-19)

March 24, 2020

Dear Valued Partners and Employees:

During these unprecedented times - Westbrook Manufacturing and our affiliate Federal Flange are committed to servicing the needs of our trusted partners. We do this in conjunction with making every effort to ensure the health and safety of our loyal employees.

Although Harris County and the City of Houston have announced a Stay-at Home order - we will **remain operational** under allowances for Critical Manufacturing per the:

Critical and Essential Infrastructure Workers Guidelines from The Department of Homeland Security

We have a supply chain network of vendors who are deemed Essential Workers as well - which will promote a stable supply and mitigate disruptions during this critical time.

We remain dedicated to servicing your needs and will do our best to communicate with you as situations change.
